II. Background

Jane is a beneficiary of the Flanagan Family 321 Trust established in 2005 by Dorothy E. Flanagan. Jane holds a 25% beneficial interest in the Trust following the redistribution of Elizabeth (Betsy) Young's forfeited interest as described in the Non-Judicial Settlement Agreement.

Jane served as an initial Co-Trustee of the Trust (Article 10.1) and has resigned from that position as documented in Phase 1 of this process.

Jane has made the decision to pass her beneficial interest to the next generation of her branch. Annie has voluntarily elected to forfeit and relinquish the 12.5% beneficial interest she would otherwise have received from Jane, so that the entire 25% Jane Birkhead branch interest shall pass to Joey.

III. Transfer of Interest

Jane hereby transfers her entire 25% beneficial interest in the Flanagan Family 321 Trust to Joey Birkhead.

Joey Birkhead receives the full 25% beneficial interest formerly held by Jane Birkhead.

This transfer is effective on the date of the Non-Judicial Settlement Agreement.

IV. Annie Birkhead Forfeiture of Interest

Annie Birkhead hereby voluntarily forfeits and relinquishes any current or future beneficial interest she may hold or claim in the Trust through Jane Birkhead's branch, including the 12.5% beneficial interest she would otherwise have received under Jane's transfer.

This forfeiture includes:

- a. Any right to use the Camp Property under Article V of the Trust Agreement.
- b. Any right to receive income distributions under Article IV of the Trust Agreement.
- c. Any right to vote as a beneficiary on Trust matters, including votes under Articles 5.3, 5.5, 5.6, 5.7, and 10.2.
- d. Any right of first refusal, purchase right, sale-proceeds claim, or other economic claim associated with Jane Birkhead's former beneficial interest.

Annie shall have no financial obligations under Article 5.3 with respect to the forfeited interest unless and until she is approved for re-entry under Section VIII of this Exhibit.

V. Rights Transferred to Joey

Joey receives the following rights with respect to the full 25% interest:

- a. The right to use the Camp Property under Article V of the Trust Agreement, subject to the equitable allocation determined by the

Trustees each spring (Section 5.1).

- b. The right to receive income distributions under Article IV of the Trust Agreement.
- c. The right to vote as a beneficiary on all matters requiring a beneficiary vote, including the sale of the Camp Property (Article 5.5), the election of Trustees (Article 10.2), and the approval of expenses (Article 5.3).
- d. The right of first refusal to purchase any beneficial interest offered for sale under Article 5.7.
- e. The right to purchase the Camp Property at assessed value under Article 5.6 (as a grandchild of the Settlor).

VI. Obligations Assumed by Joey

Joey assumes the following obligations with respect to the full 25% interest:

- a. The obligation to pay his proportionate share of expenses as determined by the Trustees under Article 5.3, including utilities, real property taxes, insurance, repairs, maintenance, and capital improvements.
- b. The obligation to comply with all terms of the Trust Agreement as applicable to beneficiaries.
- c. The consequences of failure to pay assessments as set forth in Article 5.3, including the potential denial of use, voting rights, and purchase rights.

VII. Jane's Relinquishment

Effective on the date of this transfer:

- a. Jane relinquishes her entire beneficial interest in the Trust.
- b. Jane relinquishes her voting rights as a beneficiary.
- c. Jane is released from all financial obligations under Article 5.3.
- d. Jane's right to use the Camp Property as a beneficiary ceases. Any future use shall be at the invitation and discretion of Joey

or the Co-Trustees.

VIII. Annie Re-Entry Provision

If Annie desires to return to being an active beneficiary of the Trust in the future, paying her proportionate share of annual expenses, the then-active beneficiaries shall vote on the terms and conditions of such re-entry.

- a. Approval shall require a majority vote of the active beneficiaries at that time.
- b. The terms of re-entry, including the percentage of beneficial interest to be restored, shall be determined by the active beneficiaries at the time of the vote.
- c. Re-entry does not automatically restore a 12.5% interest.

IX. Acknowledgements

Joey and Annie each acknowledge that:

- a. They have read or been provided a copy of the Flanagan Family 321 Trust Agreement dated 2005.
- b. They understand the rights, obligations, forfeiture, and re-entry provisions stated in this Exhibit.
